Real Ready wins and Houlihan L. beats Wen Bo by less than or equal to 20 points

Each team will be tied with a record of 6-2 and each team will win and lose 1 tiebreaker, therefore, no clear seeding can occur. If this happens, the following will take place after the conclusion of the 2PM matchup between Wen Bo and Houlihan L.:

1. A six-sided die will be provided.
2. Each of the three teams will be assigned two numbers.
3. The die will be rolled once.
4. Whichever team's number is displayed will be the number 1 seed and face the number 4 seed the Hangovers.
5. The two losing teams will face each other as the 2 and 3 seeds. Seeding is irrelevant at that point, but will depend on the H2H matchup.
